

ACSC 2010 MOWING

The mowing this year will be split into two separate sealed bids. The first bid will be a riding mower/finish mowing bid, and the second will be a tractor/bush hog bid. The areas to be mowed will be described below. The mowing is to be done on an as needed basis with emphasis based on club activities and events. The Board of Directors reserves the right to reject any or all bids submitted. A member may submit a bid for either or both parts. All bids are due prior to the start of the March Directors Meeting, 3/25/10. Range area weed eating to be done by range officers.

Bid 1 - Riding Mower

Area 1 - Lawn area of clubhouse, (area inside clubhouse drive and rifle range drive). This area also includes weed eating.

Area 2 - Archery Range

Area 3 - PPC Range

Area 4 - Shooting area of trap range, (trap house to trap road)

Area 5 - Silhouette firing line area. Area behind firing line to rifle range road, from firing line to the 25 yard berm on the left of silhouette road.

Bid 2 - Tractor and Bush hog

Area 1 - Along sides of driveway from the pond to the front gate.

Area 2 - Between archery range and main driveway and east to west from PPC- Archery road to drainage ditch.

Area 3 - Between equipment shed and main driveway north to south and between PPC- Archery range road and clubhouse drive west to east.

Area 4 - Between edge of wood line near big bore chickens and the pond culvert and the main driveway and parkway fence.

Area 5 - Rifle range, not including berms.

Area 6 - Silhouette range, not including berms.

Area 7 - Trap range beyond the trap house.

Submit both pages of this document with price for Bid 1 or Bid 2 or both. Sign, date, and complete requested information. Bids must only be submitted to a current officer or director. Be sure you read and understand these requirements before submitting.
